

### ALLERGEN INFORMATION ACCORDING TO ALBA LIST

Product name: Tunnel salami fine herbs covered (1,2% fine herbs)

Product code: 70

#### Presence or absence of allergens

- + The article contains the mentioned substance (as an ingredient).
- The article is free from mentioned substance (according to prescription).

It goes without saying that ALBA takes the possibility of cross contamination into account but contaminants do not have to be marked as "+" or "?", because they are not part of the recipe. In this case, a "-" should be filled in.
